

TRAINING FOR YOUR FUTURE

Understanding that everyone's path to success is unique and that mainstream school isn't for everyone, we are proud to offer young people alternative, appropriate education.

In partnership, Comet CaRE School and the Motivation Foundation provide young people aged 17-19, with an alternative to traditional high school and a route into industry jobs through innovative solutions to education.

We offer students a flexible environment to complete Certificates in General Education, at their own pace, alongside a trade qualification with any extra tailored support needed to reach their potential.

EDUCATION & TRAINING

At Youth Futures we believe that education is the key to opportunity. We also understand that mainstream school isn't for everyone.

FLEXIBLE & SUPPORTIVE ENVIRONMENT

Comet CaRE Schools and Youth Futures Community School provide young people with an alternative to traditional high school. Students are provided with a flexible environment, working at their own pace, where they can complete their education, while getting any extra tailored support needed to reach their potential. This includes a large focus on personal development, literacy and numeracy, work readiness and health and wellbeing.

NATIONALLY ACCREDITED

Students complete a nationally accredited course.

HOLISTIC APPROACH

It's not all about book work. Students have access to youth workers, a literacy coach and a psychologist.

LIFE SKILLS

Our students leave with skills that will help them succeed in life; including budgeting, cooking, job-seeking and interview skills.

SELF-PACED LEARNING

Students can enroll at any time of the year and complete courses at their own pace.

TAILORED LEARNING

We know that young people learn in different ways. That's why we make our lessons engaging and hands on.

HIGH RATIO

To make sure each student gets the support they need we have 1 staff member for every 7 students.
